Dedicated telecommunications statutory fee charge table

1. dedicated telecommunications radio service

Charge item	unit	Charge fee (N.T. dollar)	remark
Dedicated radio station license fee	per piece	500	new issuance, renewal, replacement, of license
Dedicated radio station establishment permit fee	per piece	500	new issuance, replacement of license
Dedicated radio station inspection fee	Per station	700	
Dedicated radio receiver license fee	per piece	500	new issuance, renewal, replacement, of license
Dedicated radio receiver establishment permit fee	per piece	500	new issuance, replacement of license
Dedicated radio receiver inspection fee	Per station	700	
Small miniature mobile radio (phone) license fee	per piece	500	new issuance, renewal, replacement, of license
Small miniature mobile radio (phone) establishment permit fee	per piece	500	new issuance, replacement of license
Small miniature mobile radio (phone) inspection fee	Per station	100	
Dedicated satellite ground radio station license fee	per piece	1900	new issuance, renewal, replacement, of license
Dedicated satellite ground radio station establishment permit fee	per piece	1900	new issuance, replacement of license
Dedicated satellite ground radio station inspection fee	Per station	1000	

Dedicated satellite mobile radio station license fee	per piece	1900	new issuance, renewal, replacement, of license
Dedicated satellite mobile radio station establishment permit fee	per piece	1900	new issuance, replacement of license
Dedicated satellite mobile radio station inspection fee	Per station	100	

2. Taxi dedicated radio station service

Charge item	unit	Charge fee (N.T. dollar)	remark
Taxi dedicated radio mobile station license fee	per piece	500	new issuance, renewal, replacement, of license
Taxi dedicated radio mobile station establishment permit fee	per piece	500	new issuance, replacement of license
Taxi dedicated radio mobile station inspection fee	Per station	100	
Taxi dedicated radio base station license fee	per piece	500	new issuance, renewal, replacement, of license
Taxi dedicated radio base station establishment permit fee	per piece	500	new issuance, replacement of license
Taxi dedicated radio base station inspection fee	Per station	700	

3. Academic experimental radio station service

Charge item	unit	Charge fee (N.T. dollar)	remark
Academic experimental mobile radio station license fee	per piece	500	new issuance, renewal, replacement, of license
Academic experimental mobile radio station establishment permit fee	per piece	500	new issuance, replacement of license
Academic experimental mobile	Per station	100	

radio station inspection fee			
Academic experimental radio station license fee	per piece	500	new issuance, renewal, replacement, of license
Academic experimental radio station establishment permit fee	per piece	500	new issuance, replacement of license
Academic experimental radio station inspection fee	Per station	700	

4.Dedicated wired telecommunications service

Charge item	unit	Charge fee (N.T. dollar)	remark
Wired carrier station license fee	per piece	1000	new issuance, renewal, replacement, of license
Wired carrier station establishment permit fee	per piece	1000	new issuance, replacement of license
Wired carrier station inspection fee	Per station	1000	
Optical fiber transmission station license fee	per piece	1000	new issuance, renewal, replacement, of license
Optical fiber transmission station establishment permit fee	per piece	1000	new issuance, replacement of license
Optical fiber transmission station inspection fee	Per station	1000	
Dedicated wired telephone license fee	per piece	1000	new issuance, renewal, replacement, of license
Dedicated wired telephone establishment permit fee	per piece	1000	new issuance, replacement of license
Dedicated wired telephone inspection fee	Per station	1000	

5.Amateur radio station service

Charge item	unit	Charge fee (N.T. dollar)	remark
Amateur radio phone station license fee	per piece	500	new issuance, renewal, replacement, of license
Amateur radio phone station	Per station	100	

inspection fee			
Amateur radio station license fee	per piece	500	new issuance, renewal, replacement, of license
Amateur radio station establishment permit fee	per piece	500	new issuance, replacement of license
Amateur radio station inspection fee	Per station	500	
Examination fee for type approval of the amateur radio equipment	Per case	1000	
Amateur operator license fee	per piece	500	new issuance, renewal, replacement, of license
Amateur operators' qualifying examination fee	Per case	200	

6.Aircraft radio station service

Charge item	unit	Charge fee (N.T. dollar)	remark
Aircraft radio station license fee	Per piece	1000	new issuance, renewal, replacement, of license
Aircraft radio station establishment permit fee	Per piece	500	new issuance, replacement of license

7.Ship radio station service

Charge item	unit	Charge fee (N.T. dollar)	remark
Ship radio station license fee (GMDSS ship radio station, or international Voyage ship radio station)	per piece	1300	new issuance, renewal, replacement, of license
Ship radio station establishment permit fee (GMDSS ship radio station, or international Voyage ship radio station)	per piece	1300	new issuance, replacement of license
Ship radio station license fee (fishing vessels radio station or other non- international Voyage ship radio station)	per piece	400	new issuance, renewal, replacement, of license

Ship radio station establishment permit fee (fishing vessels radio station or other non- international Voyage ship radio station)	per piece	400	new issuance, replacement of license
License fee for double side band (DSB) radiotelephone for Fishing Vessels	per piece	400	new issuance, renewal, replacement, of license
Ship radio station inspection fee (GMDSS ship radio station of A1 sea area)	Per station	1500	
Ship radio station inspection fee (GMDSS ship radio station of A2, A3 or A4 sea area)	Per station	2000	
Ship radio station inspection fee (non - GMDSS ship radio station for fishing vessels within 24 nautical miles from coast)	Per station	200	
Ship radio station inspection fee (non - GMDSS ship radio station for fishing vessels within economic sea zone out of 24 nautical miles from coast)	Per station	400	
Ship radio station inspection fee (non - GMDSS ship radio station for fishing vessels out of economic sea zone, or using foreign port as operation base)	Per station	600	
Ship radio station inspection fee (non - GMDSS ship radio station for non-fishing vessels of inner water courses, or sea area near coast)	Per station	400	
Ship radio station inspection fee (non - GMDSS ship radio station for non-fishing vessels out of sea area near coast)	Per station	600	
Ship radio station inspection fee	Per station	1500	

(non - GMDSS ship radio station for international Voyage non-fishing vessels)			
Ship radio station inspection fee (for additional radio equipment)	Per application	300	

8.Telecommunications network service for the academic and educational purpose or dedicated experiment, research and development purpose

Charge item	unit	Charge fee (N.T. dollar)	remark
License fee for establishment and operation of academic and educational telecommunications network	Per piece	2000	new issuance, renewal, replacement, of license
Examination fee for establishment of academic and educational telecommunications network	Per case	2000	
License fee for establishment and operation of experimental, research and development telecommunication network	Per piece	2000	new issuance, renewal, replacement, of license
Examination fee for establishment of experimental, research and development telecommunication network	Per case	2000	
License fee for radio station of academic and educational telecommunications network	Per piece	500	new issuance, renewal, replacement, of license
Inspection fee for radio station of academic and educational telecommunications network	Per station	700	
License fee for radio station of experimental, research and development telecommunication network	Per piece	500	new issuance, renewal, replacement, of license
Inspection fee for radio station of experimental, research and	Per station	700	

development telecommunication network			
License fee for mobile radio station of academic and educational telecommunications network	Per piece	500	new issuance, renewal, replacement, of license
Inspection fee for mobile radio station of academic and educational telecommunications network	Per station	100	
License fee for mobile radio station of experimental, research and development telecommunication network	Per piece	500	new issuance, renewal, replacement, of license
Inspection fee for mobile radio station of experimental, research and development telecommunication network	Per station	100	
License fee for satellite ground radio station of academic and educational telecommunications network	Per piece	1000	new issuance, renewal, replacement, of license
Inspection fee for satellite ground radio station of academic and educational telecommunications network	Per station	1000	
License fee for satellite ground radio station of experimental, research and development telecommunication network	Per piece	1000	new issuance, renewal, replacement, of license
Inspection fee for satellite ground radio station of experimental, research and development telecommunication network	Per station	1000	
License fee for satellite mobile radio station of academic and educational telecommunications network	Per piece	1000	new issuance, renewal, replacement, of license

Inspection fee for satellite mobile radio station of academic and educational telecommunications network	Per station	100	
License fee for satellite mobile radio station of experimental, research and development telecommunication network	Per piece	1000	new issuance, renewal, replacement, of license
Inspection fee for satellite mobile radio station of experimental, research and development telecommunication network	Per station	100
