## Medal

## **Description**

1. The medal is of the neck order type.
2. The medal is cast from a gold alloy and decorated with gemstones such as agate.
3. Dimensions:  
The medal is 8.7 cm in diameter.
4. Significance of the insignia:
  - a. The medal is inspired by a traditional R.O.C. design and signifies the spirit and uniqueness of R.O.C. culture.
  - b. The medal consists of three sections. The innermost section is a representation of a bell, which symbolizes the power of culture to reach out. The middle and outer sections are composed of 12 sets of overlapping points conveying cultural unity, as well as the spirit of brilliance and tenacity that are also represented in the R.O.C.'s national emblem.
