- (6) Certified documents attested by the central competent authority for the target industry as meeting the provisions of Addendum 9-1, Article 47-1 of the Review Standards (to be submitted by those who fall under Article 47-1 of the Review Standards)

4. Intermediate skilled Institutional care work:

- (1) Certified documents for foreign overseas students, overseas Chinese students or other students of Chinese descent who graduated from a college or university in the Republic of China and obtained an associate degree or higher (to be provided by foreign overseas students, overseas Chinese students or other students of Chinese descent who graduated from a college or university in the Republic of China and obtained an associate degree or higher).
- (2) Photocopy of Tax ID Number assignment notification.
- (3) Photocopies of certified documents attesting to the number of beds issued by the competent authority for the target industry.
- (4) Official list of domestic care givers and nursing staff verified by the central competent authority for the target industry (to be provided if the applicant is a long-term care facility, care institution, nursing home institution, or social welfare foundation, nursing institution or long-term care services institution).
- (5) List of domestic care givers and their care attendant training completion certificate, care attendant profession technician certificate, valid long-term care attendant certificate or graduation certificate from a senior high school (vocational college) or higher --junior college, university, division or graduate school in the field of care work and nursing (to be submitted if the applicant is a nursing home, hospital, or long-term care institution providing residential services).
- (6) Foreign workers are required to have one of the following certified qualifications attesting to their Mandarin Chinese (Hoklo) language ability (if an applicant’s salary is in accordance with the level announced by the Central Competent Authority the Mandarin Chinese (Hoklo) language ability accreditation qualifications do not apply):
  - 1. Certified documents attesting a foreign worker attained “basic level” or higher in conversational or listening comprehension Mandarin Chinese as part of the Ministry of Education’s Mandarin Chinese proficiency test or is certified “basic level” or higher (spoken and listening comprehension sections) in Hoklo language proficiency.
  - 2. Certified as having attended, for a minimum of 36 hours, a Mandarin Chinese language training program commissioned by a special municipality, county (city) government or an education institution permitted by the Ministry of Education to enroll students from overseas to learn Chinese in Taiwan.
  - 3. Where an employer has hired a foreign worker to engage in institutional care work for three years or more and self accredits the care worker as having attained a level of

competence in Mandarin Chinese that meets the qualification standard announced by the Central Competent Authority, having obtained an employer self-assessment of foreign worker language proficiency form.

(7) Where a foreign worker has one of the following certified documents and their salary meets the level announced by the Central Competent Authority the following documents do not have to be attached:

- (1) Certified document attesting they received 20 hours or more of continued education or 20 points in the year prior to the application.
- (2) A certificate indicating an individual obtained an associate degree or higher from a long-term care related department or completed a long-term care program announced by the Central Competent Authority.
- (3) A care attendant technician's certificate.

5. Intermediate skilled live-in care work:

- (1) Certified documents for foreign overseas students, overseas Chinese students or other students of Chinese descent who graduated from a college or university in the Republic of China and obtained an associate degree or higher (to be provided by foreign overseas students, overseas Chinese students or other students of Chinese descent who graduated from a college or university in the Republic of China and obtained an associate degree or higher).
- (2) Photocopies of the Household Registration Certificate for the applicant and care recipient, certified documents attesting to the kinship relationship between the applicant and care recipient, or a copy of an Alien Resident Certificate.
- (3) Photocopy of a Disability Certificate (to be provided by applicants who file an application based on a specific physical or mental disability or the disability classifications and assessments announced by the competent health authority); However, applicants who apply for foreign live-in caregivers on the ground of a physical handicap (limited to category two illnesses such as motor neuron disease or Parkinson's disease) or rare diseases (limited to motor neuron disease), who have not previously hired a foreign live-in caregiver or intermediate skilled foreign live-in caregiver, are required to submit a photocopy of the certificate of diagnosis or a physical and mental disability assessment identifying either motor neuron disease, amyotrophic lateral sclerosis (ALS), or Parkinson's disease.
- (4) Original copy of an affidavit attesting that the care recipient has no family in the Republic of China (to be provided by applicants when the employer and care recipient have no kinship relationship).
- (5) Original copy of a foreign worker employment and management letter of authorization and a photocopy of the identity documents of the commissioned party. However, when the commissioned party is an institution, group, or other business entity, certified documents must be submitted from the competent authority for the target industry agreeing to accreditation or legal entity registration (to be provided when the care recipient is also the employer).
- (6) Original copy of an affidavit giving up the replacement recruitment quota (to be provided when, pursuant to Article 58 of the Act, a foreign worker has his/her employment terminated for reasons not attributable to their employer, while the employment permit remains valid, and the employer is still eligible to apply for a replacement recruitment permit).
- (7) Affidavit for change of applicant (to be provided when the name of the applicant to employ a foreign caregiver on the basic information form is different to that on the application).

- (8) Certified documents attesting to the completion of pre-employment training (to be provided unless the Central Competent Authority can access the documents online).
  - (9) Certified documents attesting to the kinship relationship between the person who attended a class on behalf of the employer and the care recipient (to be provided by individuals entrusted by the employer to take an online class who meet the degree of kinship requirement).
  - (10) A certificate of cohabitation for the person who attended a class on behalf of the employer and the care recipient, or a certified document or affidavit attesting that an individual has been given management and supervisory authority by the employer.
  - (11) Foreign workers are required to have one of the following certified qualifications attesting to their Mandarin Chinese (Hoklo) language ability (if an applicant's salary is in accordance with the level announced by the Central Competent Authority the Mandarin Chinese (Hoklo) language ability accreditation qualifications do not apply):
    - 1. Certified documents attesting a foreign worker attained "basic level" or higher in conversational or listening comprehension Mandarin Chinese as part of the Ministry of Education's Mandarin Chinese proficiency test or is certified "basic level" or higher (spoken and listening comprehension sections) in Hoklo language proficiency.
    - 2. Certified as having attended, for a minimum of 36 hours, a Mandarin Chinese language training program commissioned by a special municipality, county (city) government or an education institution permitted by the Ministry of Education to enroll students from overseas to learn Chinese in Taiwan.
    - 3. Where an employer has hired a foreign worker to engage in institutional care work for three years or more and self accredits the care worker as having attained a level of competence in Mandarin Chinese that meets the qualification standard announced by the Central Competent Authority, having obtained an employer self-assessment of foreign worker language proficiency form.
  - (12) Certified documents attesting a foreign worker undertook 20 hours or more of hands-on supplementary training (at designated training locations / approved home based training locations) or online digital courses from the supplementary training section of the Ministry of Labor's Transnational Labor Rights Protection Portal. However, if an applicant's income is in accordance with the level announced by the Central Competent Authority the hands-on supplementary training requirement does not apply.
6. Intermediate skilled agricultural work
- (1) Certified documents for foreign overseas students, overseas Chinese students or other students of Chinese descent who graduated from a college or university in the Republic of China and obtained an associate degree or higher (to be provided by foreign overseas students, overseas Chinese students or other students of Chinese descent who graduated from a college or university in the Republic of China and obtained an associate degree or higher).
  - (2) Certified documents attesting that a foreign worker has technical qualifications that meet the standard of a professional license, training class or practical accreditation (if an applicant's salary is in accordance with the level announced by the Central Competent Authority the professional license, training class or practical accreditation provisions do not apply).
  - (3) Livestock farm registration certificate, livestock and poultry registration certificate,

breeding registration certificate or plant seedlings industry registration certificate issued by the competent authority in charge of the target business, or a livestock and poultry compost site operation permit issued by the central competent authority in charge of the target business.

- (4) Certified documents from the central competent authority for the target industry attesting to the compliance of agricultural, forestry, animal husbandry or aquaculture businesses with the Review Standards.
- (5) Certified documents from the central competent authority for the target industry attesting to the number of domestic workers.

7. Intermediate skilled outreach agricultural work:

- (1) Certified documents for foreign overseas students, overseas Chinese students or other students of Chinese descent who graduated from a college or university in the Republic of China and obtained an associate degree or higher (to be provided by foreign overseas students, overseas Chinese students or other students of Chinese descent who graduated from a college or university in the Republic of China and obtained an associate degree or higher).
- (2) Certified documents attesting that a foreign worker has technical qualifications that meet the standard of a professional license, training class or practical accreditation (if an applicant's salary is in accordance with the level announced by the Central Competent Authority the professional license, training class or practical accreditation provisions do not apply).
- (3) Photocopies of certificates of incorporation for any cooperative or non-profit-seeking organization related to farmers' associations, fishermen's associations, agriculture, forestry, fishery and animal husbandry.
- (4) Photocopies of certified documents issued by the central competent authority for the target industry approving an outreach agricultural services plan and qualifications.
