1. Examinations Fee

Charged Items	Unit	Charged Price (NT)
Application of Integrated Network Business Examinations Fee	per piece	1,800,000
Application of Local Network Business Examinations Fee	per piece	820,000
Application of Long Distance Network Business Examinations Fee	per piece	770,000
Application of International Network Business Examinations Fee	per piece	750,000
Application Local/Domestic Long Distance Land Cable Leased-Circuit Business Examinations Fee	per piece	110,000
Application of International Submarine Cable Leased-Circuit Business Examinations Fee	per piece	300,000
Application of Mobile Telephone Business Examinations Fee	per piece	250,000
Application of Radio Paging Business Examinations Fee	per piece	100,000
Application of Mobile Data Communications Business Examinations Fee	per piece	100,000
Application of Trunking Radio Telephone Business Examinations Fee	per piece	100,000
Application of 900MHz Digital Low-Tier Cordless Telephone Business Examinations Fee	per piece	300,000
Application of 1900MHz Digital Low-Tier Cordless Telephone Business Examinations Fee	per piece	300,000
Application of Third Generation Mobile Communications Business Examinations Fee	per piece	200,000
Application of Fixed Satellite Communications Business Examinations Fee	per piece	110,000
Application of Mobile Satellite Communications Business Examinations Fee	per piece	150,000
Application of Type II Telecommunications Enterprises (Business) Examinations Fee	per piece	12,000
Radio Station RF Equipment type approval Examinations Fee	per piece	2,500

Satellite Small Earth Base Station type approval Examinations Fee	per piece	2,500
Satellite Mobile Earth Base Station type approval Examinations Fee	per piece	1,600
Application of Wireless Broadband Access Business Examinations Fee	per piece	250,000

2. Inspection Fee

Charged Items	Unit	Charged Price (NT)
Type I Telecommunications Enterprises (Fixed Communications Business) Equipment Room Inspection Fee	per site	25,000
Type I Telecommunications Enterprises (Business) Satellite Fixed Earth Base Station (does not include Satellite Small Earth Base Station) Inspection Fee (Taiwan Island)	per station	7,000
Type I Telecommunications Enterprises (Business) Satellite Fixed Earth Base Station (does not include Satellite Small Earth Base Station) Inspection Fee (except Taiwan Island)	per station	15,000
Type I Telecommunications Enterprises (Business) Microwave Base Station Inspection Fee	per station	2,500
Integrated Network Business Communications Network Inspection Fee	per case	310,000
Local Network Business Communications Network Inspection Fee	per case	110,000
Long Distance Network Business Communications Network Inspection Fee	per case	77,000
International Network Business Communications Network Inspection Fee	per case	77,000
Local/Domestic Long Distance Land Cable Leased-Circuit Business Communications Network Inspection Fee	per case	80,000
International Submarine Cable Leased-Circuit Business Communications Network Inspection Fee	per case	80,000
Mobile Telephone Business Communications Network (System) Inspection Fee (entire area)	per case	125,000
Mobile Telephone Business Communications Network (System) Inspection Fee (single area)	per case	80,000

Mobile Telephone Business Base Station Inspection Fee	per station	6,000
Radio Paging Business Communications Network (System) Inspection Fee (entire area)	per case	80,000
Radio Paging Business Communications Network (System) Inspection Fee (single area)	per case	60,000
Radio Paging Business system Based Station Inspection Fee	per station	5,400
Mobile Data Communications Business Communications Network (System) Inspection Fee (entire area)	per case	65,000
Mobile Data Communication Business Communications Network (System) Inspection Fee (single area)	per case	50,000
Mobile Data Communications Business Base Station Inspection Fee	per station	4,500
Trunking Radio Telephone Business Communications Network (System) Inspection Fee (entire area)	per case	65,000
Trunking Radio Telephone Business Communications Network (System) Inspection Fee (single area)	per case	50,000
Trunking Radio Telephone Business Base Station Inspection Fee	per station	4,500
900MHz Digital Low-Tier Cordless Telephone Business Communications Network (System) Inspection Fee	per case	80,000
900MHz Digital Low-Tier Cordless Telephone Business Base Station Inspection Fee	per station	2,500
1900MHz Digital Low-Tier Cordless Telephone Business Communications Network (System) Inspection Fee	per case	80,000
1900MHz Digital Low-Tier Cordless Telephone Business Base Station Inspection Fee	per station	2,500
Third Generation Mobile Communications Business Communications Network (System) Inspection Fee	per case	125,000
Third Generation Mobile Communications Business Base Station Inspection Fee	per station	6,000
Wireless Broadband Access Business (System) Inspection Fee	per case	110,000
Wireless Broadband Access Business Base Station Inspection Fee	per station	6,000
Mobile Broadband Business System Inspection Fee	per case	150,000
Mobile Broadband Business Base Station Inspection Fee	per station	6,000

Femtocell Access Point Inspection Fee	per AP	1,500
Fixed Satellite Communications Business Communications Network (System) Inspection Fee	per case	50,000
Mobile Satellite Communications Business Communications Network (System) Inspection Fee	per case	60,000
Application of Type II Telecommunications Enterprises (Business) Equipment Room Inspection Fee	per site	16,000
Ground to Air Digital Communications Base Station Inspection Fee	per station	2,500

3. License Fee

Charged Items	Unit	Charged Price (NT)
Type I Telecommunications Enterprises (Business) Communications Network Construction Permit License Fee (issue, change and re-issue)	per sheet	3,500
Type I Telecommunications Enterprises (Business) Base Station Construction Permit License Fee (issue, change, and re-issue)	per sheet	500
Type I Telecommunications Enterprises (Business) Base Station License Fee (issue, change and re-issue)	per sheet	500
Type I Telecommunications Enterprises (Business) Franchise License Fee (issue, change and re-issue)	per sheet	3,500
Type II Telecommunications Enterprises (Business) Permit License Fee (issue, change and re-issue)	per sheet	2,000
Coastal Base Station Construction Permit License Fee (issue, change and re-issue)	per sheet	500
Ground to Air Digital Communications Base Station Construction Permit License Fee (issue, change and re-issue)	per sheet	500
Coastal Base Station License Fee (issue, change and re-issue)	per sheet	500
Ground to Air Digital Communications Base Station License Fee (issue, change and re-issue)	per sheet	500
