

Appendix 1

Format and Diagram of Science and Technology Profession Medals

| Name of Medal | Class | Diameter | Diagram |
|---|--|--|---|
| Science and Technology Profession Medal | Gold 1st Class Silver 2nd Class Bronze 3rd Class | The Medals are 5.8cm, the small medals are 1.8cm | <ol style="list-style-type: none"> 1. The Medals have 3 layers, with the lustrous outer layer symbolizing a brilliant leap to the pinnacle of technology; the red and blue luster of the middle layer symbolize the innovative exploration of nature and technology; the golden cap embedded with the silhouette of "Taiwan" and the National Science and Technology Council's insignia symbolizes the establishment of technology in Taiwan that will result in future innovation. Meaning, those awarded this Medal have earned a distinction for their special contributions to the development of science and technology administration in Taiwan. 2. The Medals are categorized as 1st, 2nd, and 3rd Classes differentiated by gold, silver, and bronze materials. The chest medals are as shown in the diagram. |

Diagram

| Medal Class | Style |
|------------------|---|
| Gold 1st Class |  The Gold 1st Class medal features a large, multi-pointed star with a gold-colored center and red and blue stripes. The center of the star contains a circular emblem with the letters "NSTC" and a map of Nigeria. The medal is suspended from a red ribbon with blue and white stripes. To the right of the main medal is a smaller, identical star-shaped medal. |
| Silver 2nd Class |  The Silver 2nd Class medal features a large, multi-pointed star with a silver-colored center and red and blue stripes. The center of the star contains a circular emblem with the letters "NSTC" and a map of Nigeria. The medal is suspended from a red ribbon with blue and white stripes. To the right of the main medal is a smaller, identical star-shaped medal. |
| Bronze 3rd Class |  The Bronze 3rd Class medal features a large, multi-pointed star with a bronze-colored center and red and blue stripes. The center of the star contains a circular emblem with the letters "NSTC" and a map of Nigeria. The medal is suspended from a red ribbon with blue and white stripes. To the right of the main medal is a smaller, identical star-shaped medal. |
