CHAPTER II

Duty-free Importation of Vehicles

Article 2

The number of vehicles which are imported duty-free to be owned at any one time by AIT, and its personnel entitled to preferential treatment is provided as follows :

1 Official Vehicles

AIT shall be limited to 25 vehicles and two motorcycles. In the event that these numbers are exceeded, application may be made to CCNAA for adjustment of the maximum number.

2 Privately-owned Vehicles

Persons who qualify for preferential treatment are entitled to one vehicle.

Article 3

No importation of vehicles of over three years ex-factory shall be permitted without an approved waiver.

Article 4

No importaion of right hand drive vehicles shall be permitted.

CHAPTER III

Vehicle License Plates and Registration

Article 5

All types of vehicles are subject to registration in a prescribed form to be filed by AIT. Vehicle registration and license plates will be issued free of all charges.

Article 6

If foreign license plates were originally used on the vehicle imported dutyfree, they shall be removed immediately upon entry.

Article 7

During the period of validity of a license, any inter-change of license plates for official cars of the same organization or for privately-owned cars of the same person shall be subject to re-application for licenses. No unauthorized change of licenses is permitted before documentation of change is complete.

Article 8

Vehicles and motorcycles shall be inspected in accordance with local laws and regulations.

Article 9

When the originally issued license is no longer used on a vehicle, a cancellation of motor vehicle registration form shall be completed by the owner.

CHAPTER IV

Driver's License

Article 10

Personnel and members of their families who have attained the age of eighteen may apply for a driver's license.

Article 11

Any person who is the holder of a valid international driving permit issued in a foreign country desiring to drive a motor vehicle on a temporary basis shall have first obtained an endorsement on the license.

Article 12

If the applicant is the holder of a valid driver's license, a local driver's license will be issued upon application without any examinations or charges.

Article 13

Any person who is the holder of a valid local driver's license may be issued upon application, prior to departure, an international driving permit.

CHAPTER V

Tax Free Petrol

Article 14

Tax-free petrol used for official vehicles and privately-owned vehicles, within the limited number, shall be free of commodity tax upon application. The maximum quantity of commodity tax-free petrol purchaseable per month per vehicle shall be subject to the approval of the competent authority according to the rules then existing.

CHAPTER VI

Sale, Transfer and Export of Vehicles

Section 1 - Sale of Vehicles

Article 15

Application for sale of vehicle shall only be processed when the vehicle concerned has been used for at least two years after importation. However, such restriction shall not apply to the following cases :

- 1 The owner leaves AIT or departs Taiwan upon retirement or transfer and the car has been used for at least half a year.
- 2 The owner is deceased.
- 3 The vehicle has been damaged beyond repair.
- 4 Personal car of the Director and the car has been used for one year.

Article 16

When a car owner who has been separated or retired from AIT is permitted to remain in Taiwan, he may continue to use his duty-free imported car, provided that he has paid the duty and related taxes and dues and has applied through the organization concerned for issuance of regular vehicle license plates.

Article 17

Application for sale of vehicle shall be filed together with the required documents through AIT to the competent authority.

Article 18

Vehicles which are owned by AIT and its personnel and which have been used for two years after importation shall be exempted from payment of import duty and taxes by either buyer or seller when being sold.

Article 19

The provisions under this Chapter shall be applicable to cases where a vehicle is donated to an organization or person who is not entitled to diplomatic or preferential treatment.

Article 20

Scrapped vehicles authorized to be sold shall be sold without payment of import duties and taxes by either buyer or seller. However, the assignee shall not be eligible to apply for any category of license plates in order to use such scrapped vehicle.

Section 2 - Transfer of Vehicles

Article 21

Vehicles referred to in this Agreement may be transferred on application to organizations or personnel entitled to duty-free import at any time.

Article 22

Transfer of vehicle shall be documented by application together with the required documents filed through AIT to the competent authority.

Section 3 - Exportation of Vehicles

Article 23

Vehicles may be exported as accompanied effects or by separate shipment on application.

Article 24

Exported vehicles, whether as accompanied or unaccompanied effects, shall be documented by application together with the required documents filed through AIT to the competent authority.

CHAPTER VII

Miscellaneous

Article 25

All drivers and vehicles granted licenses under this Agreement shall comply with all local traffic laws and regulations.

Article 26

In addition to the rules governing the importation of vehicles, all persons entitled to preferential treatment and with family staying at the place of work will be entitled to purchase one-locally-manufactured vehicle per adult family member without pa-

yment of any taxes or fees.

This Agreement shall enter into force on the date of signature, provided, however, that the provisions governing tax exemption shall be effective as of September 8, 1984.
