

法規名稱：AGREEMENT OF SCIENTIFIC COOPERATION BETWEEN THE NATIONAL SCIENCE COUNCIL (REPUBLIC OF CHINA) AND THE NATIONAL FUND FOR SCIENTIFIC RESEARCH (BELGIUM)

簽訂日期：民國 74 年 05 月 07 日

生效日期：民國 74 年 05 月 07 日

The National Science Council of the Republic of China (hereinafter referred to as NCS) and the National Fund for Scientific Research of Belgium (hereinafter referred to as NFWO-FNRS), with a view to developing scientific relations between their two institutions, agreed to start the implementation of scientific cooperation by the exchange of scientists.

1 The scope of this program covers all recognized branches of science within their respective competences.

2 Activities within the approved subject matter areas may include:

2.1 individual visits, exchange of scientific personnel and fellowships;

2.2 joint seminars and workshops;

2.3 joint research;

2.4 other activities may be added by mutual agreement.

3 This agreement is undertaken to facilitate pursuit of the scientific objectives of each party. Its financial terms are based on a general mutuality of interest, not strict reciprocity.

Accordingly each party shall bear the costs of its own participation in the program, unless agreed otherwise. The participation of each party shall be subject to the availability of funds.

4 In accordance with the standard procedures and regulations governing the NSC and NFWO-FNRS, each party shall inform the scientific community in its own country of the opportunities for cooperation made possible by the program.

5 Scientific and technical information derived from activities under this agreement shall be made available to the international scientific community through customary channels and in a

ccordance with normal scientific procedures.

- 6 Each party will prepare an annual report on the program in timely fashion according to its own fiscal year system and provide a copy to its counterpart.

The parties agreed to hold meetings of consultation and review periodically or when appropriate.

- 7 Administrative matters and further details in relation to the implementation of this program will be dealt with by the exchange of letters between the two parties.

- 8 This agreement will be in force from May seventh, 1985, and will be reviewed every three years. It will continue to be valid until either party notifies the other of its intention to terminate the agreement, in which case any existing program will be brought to an orderly conclusion. This notification shall be made at least one year in advance of the termination of the agreement.

- 9 This agreement is documented in English in two original copies.

Done at NSC this seventh day of May, 1985.
