

法規名稱：AGREEMENT OF SCIENTIFIC COOPERATION BETWEEN THE RESEARCH COUNCIL OF NORWAY, OSLO AND THE NATIONAL SCIENCE COUNCIL, TAIPEI (AD.1993.09.27)

簽訂日期：民國 82 年 09 月 27 日

生效日期：民國 82 年 09 月 27 日

The Research Council of Norway, Oslo, and The National Science Council, Taipei, with a view to developing scientific relations, have agreed to start the implementation of scientific cooperation by means of an exchange of scientists and information, participation in seminars and joint research projects.

1. These activities will be encouraged by both institutions in all fields of scientific endeavors.
2. The sending party shall nominate candidates for exchange visits and propose them to the receiving party. Priority will be given to those scientists who have academic ties with their counterparts in the host country.
3. The duration of visits will be determined from case to case after consideration of the recommendation from the relevant counterparts in each country.
4. The sending party shall pay the costs for international transportation, the receiving party shall provide living expenses. The receiving party shall also provide support for research-related domestic travel within the receiving country, as well as medical insurance according to its valid internal regulations in case of sudden illness or injury.
5. Details regarding joint research projects will be discussed and decided upon on an individual basis.
6. This agreement will be in force after the signatures of both parties. It will continue to be valid until either party notifies the other of its intention to terminate the agreement. In this case, any existing exchange activity will be brought to an orderly conclusion. The notification shall be made at least one year in advance of the termination of the agreement.
