Dear Mr. Brereton:

This refers to your letter of November 19, 1998, your reference 611-Tai, regarding the Statement of Intent relating to the export from Taiwan of textiles and clothing for import into Canada. This is to confirm our concurrence with your proposal that the current Statement of Intent, including all the terms and conditions therein, be extended for a period of one year, until December 31, 1999.

This also reconfirms our discussion during the meeting on October 27, 1998, that the said extension be accomplished by simply exchanging letters and necessary documents; that an additional clause shall be included in the letters expressing that should my country become a member of the World Trade Organization (WTO) before the end of 1999, the imports of textile and textile products from Taiwan to Canada will be governed by the rules and regulations of WTO.

According to the telephone conversation with Ms. Marie B. O'Shea of your office, on November 18, 1998, we are pleased to prepare and attach herewith a draft copy of Annex I of the Statement of Intent for the period from January 1, 1999 to December 31, 1999, for your verification.

Please note that Annex I consists of agreement item, product coverage, restraint level, growth, swing, carry-over/carry forward, combined flexibility, and conversion factor. It is prepared based on the same terms of the last Statement of Intent.

It Would be appreciated that the extensional process be completed at the beginning of December, since the Taiwan Textile Federation (TTF) is required to announce the quota information on or before December 10 for next year's shipments.

Your kind cooperation is highly appreciated.

Sincerely yours,

[Signed]
Shawwu Yu
Director

Dear Mr. Shaw Wu Yu:

I am writing in response to your letter of November 27, 1998, regarding the extension of the current Statement of Intent relating to certain textile products exported from Taiwan to Canada. We wish to confirm Annex 1 of the Statement of Intent for the period January 1, 1999 to December 31, 1999. (We note from your documentation that your figures differ inconsequentially from our calculations.)

We, therefore, agree that your letter of November 27, 1998 and this letter constitute an extension of the current Statement of Interest for one year beginning January 1, 1999. We would add that, in the event Taiwan becomes a member of the World Trade Organization (WTO) before the end of 1999, the imports of textiles and textile products from Taiwan to Canada will be governed by the rules and regulations of the WTO.

I trust you find these arrangements to be satisfactory.

Yours sincerely,

[Signed]
