

法規名稱：MEMORANDUM OF UNDERSTANDING ON COOPERATION BETWEEN THE INSTITUTE OF NUCLEAR ENERGY RESEARCH THE ATOMIC ENERGY COUNCIL, THE REPUBLIC OF CHINA AND THE NUCLEAR RESEARCH INSTITUTE REZ PLC IN REZ, THE CZECH REPUBLIC (AD.1996.09.20)

簽訂日期：民國 85 年 09 月 20 日

生效日期：民國 85 年 09 月 20 日

The Institute of Nuclear Energy Research, the Atomic Energy Council of the Republic of China (INER) in Lung-Tan, Tao-Yuan County, Taiwan is the leading nuclear science and technology research institute in the Republic of China.

The Nuclear Research Institute Režpi (NRI Režpi) in Rež, The Czech Republic is the largest Czech research institute in fundamental and applied research of nuclear science and technology.

With discussions and visits to facilities at INER by Director, Dr. F. Pazdera and his colleagues during Jan. 23, 1996 and Jan. 30, 1996, it is recognized that INER and NRI Režpi have shown compatible and complementary areas of interest and expertise. Areas preliminarily identified as being of possible cooperation and complementarity include the following items and the attached working items on pages three to six:

- Information exchange on research reactor engineering design.
- Cyclotron produced radioisotope technology development and radioisotope supply.
- Radiopharmaceutical kit formulation technology development, Mo-99/Tc-99m generator technology transfer, and technical information exchange.
- Nuclear power reactor fuel behavior analysis and examination technology.
- Information exchange on nuclear power reactor risk assessment technology.
- Radioactive waste management technology.
- Material research and component integrity.
- Utilization of LVR-15 reactor for INER's needs.

In recognition of the spirit in which the discussions between two Parties were conducted, the intention is hereby stated in Me-

memorandum of Understanding.

It is the objective of this Memorandum of Understanding that effort will be made to identify the specific area of technical cooperation and to prepare a formal agreement for the necessary review, approval and signing.

Both Parties will guarantee that all information exchange will be used solely for peaceful application.

This Memorandum of Understanding may be terminated upon written notice by either Party, and shall be terminated 90 days after the receipt of such notice by the other. This Memorandum of Understanding may be revised at the request of either Party.

IN WITNESS WHEREOF the undersigned, being duly authorized by the Parties, have caused this Memorandum of Understanding to be signed and effective upon signature.
