

法規名稱：MEMORANDUM OF UNDERSTANDING BETWEEN THE TAIPEI ECONOMIC AND CULTURAL OFFICE IN CANADA AND THE CANADIAN TRADE OFFICE IN TAIPEI ON A SUMMER PROGRAMME INITIATIVE

簽訂日期：民國 100 年 11 月 01 日

生效日期：民國 100 年 11 月 01 日

THE TAIPEI ECONOMIC AND CULTURAL OFFICE IN CANADA (TECO) AND THE CANADIAN TRADE OFFICE IN TAIPEI (CTOT), hereinafter referred to as the “ Participants ” ;

WISHING to cooperate on health related research training;

CONSIDERING that the Canadian Institutes of Health Research ’ s Institute of Genetics (CIHR-IG) demonstrated expertise in health research and related research training;

CONSIDERING that the Department of International Cooperation of the National Science Council (NSC-DOIC) is responsible for promoting national science and technology development, providing support to academic research and training;

HAVE COME to the following understanding:

#### 1. Programme Description

- (a) The purpose of this Memorandum of Understanding (MOU) is to set out a framework for a program that will provide up to ten Canadian Masters and PhD students (graduate students) in Canadian Institutes of Health Research ’ s (CIHR) four themes of health research (i.e. biomedical; clinical; health systems services; social, cultural, environmental and population health) with first-hand research experience in an international setting.
- (b) The Participants understand that:
  - (i) This student mobility program will promote international awareness and will contribute to developing the skills

- required to further improve the participant's ability to collaborate with foreign counterparts in the future;
- (ii) the program will be carried out over three years;
  - (iii) The awards will be held for approximately eight weeks over the summer period. During the first week, an orientation session will provide the participants an introduction to Taiwan ' s science and technology policy infrastructure, and orientation to the culture and language. The next seven weeks will be spent on research activities at the host institution in Taiwan;
  - (iv) CIHR-IG will oversee the selection process and contribute up to CAD\$5,000 per award to cover travel and partial support for living expenses;
  - (v) The NSC-DOIC will coordinate the participant ' s stay in Taiwan and provide with an assistance fund of TWD 50,000 TWD (i.e. TWD 40,000 after 20% tax deductions) to cover additional expenses such as lodging and research visits.

## 2. PROGRAM DELIVERY

- (a) The Participants understand that:
  - (i) CIHR-IG will initiate and manage a competitive process to identify, on an annual basis, up to 10 Canadian graduate students for the Summer Program in Taiwan;
  - (ii) Once the competitive process is completed, CIHR-IG will recommend the selected candidates for NSC-DOIC approval. The following timeline is indicative of the steps of the competition cycle:

Launch of the initiative:	{early September}
Request for applications (deadline):	{early January}
Review of applications (CIHR-IG):	{early March}
Recommendation to NSC-DOIC:	{Mid of March}
Notification of decision:	{early April}
Commencement of funding:	{May 1st}
- (b) The Participants understand that CIHR-IG and NSC-DOIC will highlight this funding opportunity on their web sites and notify their respective research networks.

### 3. ADMINISTRATION OF GRANTS & AWARDS

The Participants understand that the CIHR-IG will follow the terms and procedures of CIHR ' s Grants and Awards Guide (<http://www.cihr-irsc.gc.ca/e/805.html>) in carrying out this MOU.
