Date

Dear Mrs. Hainsley:

Thank you for your letter No. A/AI/S29 of August 19, 1998 concerning the international express mail link between Jamaica and Taiwan and your particulars of the EMS service.

Regarding the maximum limits of size for EMS items, we would suggest the size limits, 1.5 meters for any one dimension, and 3 meters (instead of 2 meters) for the length plus girth of an EMS item be adopted. The larger size limits will meet the need of mailing merchandise or items, according to our current situation .

In the event that the above point meets with your concurrence, please confirm by a fax reply. Our fax number is (+886 2) 2391 8302. As to the date for the commencement of the service to be on Oct. 5, 1998 is acceptable.

In return, one copy of our EMS operational information will be sent to you by airmail for your reference.

We look forward to hearing from you soon.

With best regard,

Sincerely yours,
