

法規名稱：(終)APPENDIX NUMBER NAT-I-845-3-2 BETWEEN THE AMERICAN INSTITUTE IN TAIWAN AND THE COORDINATION COUNCIL FOR NORTH AMERICAN AFFAIRS (AD.1986.10.1)

終止日期：民國 90 年 10 月 22 日

This Appendix identifies specific services to be provided by AIT for the CCNAA, in accordance with Annex III to NAT--I--845.

#### ARTICLE I --Description of Services

The AIT will provide specialists, identified in Attachment 1 to this Appendix, with backgrounds in performing microwave landing system (MLS) site surveys, defining MLS equipment and flight check equipment, and developing MLS approach procedures, to travel to Taiwan on a temporary duty (TDY) basis.

The specialists will prepare a report for CCNAA which will contain sufficient information to prepare an MLS procurement document for Taitung / Fengnin and Hualien/ Hualien aerodromes. The TDY will be divided into four phases which are detailed in Attachment 1 to this Appendix.

#### ARTICLE II --Manpower Requirements and Cost Estimates

A The estimated total cost for the AIT technical assistance is U.S. \$52,700.00, which includes salary and benefits, transportation, per diem, AIT/ Washington support and 12 percent administrative overhead charge.

B Should additional services be required, the date and length of such service will be by mutual consent between AIT and CCNAA, and related cost estimates will be documented in an amendment to this appendix or in a separate appendix.

#### ARTICLE III Financial Provisions

A CCNAA agrees to reimburse AIT for actual costs incurred by AIT in providing services under this agreement plus a 12 percent administrative overhead charge. The estimated cost also includes 10 percent as contingency to cover unexpected costs.

B AIT will render financial statements to CCNAA. AIT bills will

:

1 Contain a reference to the Appendix number assigned to this project (NA-T--I--845--3--2) ;

2 Identify charges accrued at the time of billing and periods covered ; and

3 Be forwarded for payment in accordance with Article III to the basic agreement (NAT--I-845).

C Payment of bills is due within not more than 60 days from the date of billing. Payment is to be rendered by check payable in U.S. dollars and forwarded to AIT at the following address :  
American Institute in Taiwan  
1700 North Moore street  
Suite 1705  
Arlington, Virginia 22209.

#### ARTICLE IV--Effective Date, Duration and Termination

This agreement is effective upon signature by duly authorized representatives of AIT and CCNAA and will terminate upon completion of services specified in this agreement and CCNAA payments to AIT covering the financial arrangement stated herein.

#### ARTICLE V--Approval

If this agreement meets with CCNAA's approval, a duly authorized representative of CCNAA is requested to sign the agreement as indicated below. When the agreement is signed by both duly authorized representatives of CCNAA and AIT such agreement will constitute a reimbursable agreement between CCNAA and AIT for the services delineated in the agreement.

ATTACHMENT NUMBER 1

TO

NAT--I--845--3--2

Cost Estimates and Schedules  
for MLS Siting Survey Project

Taitung / Fengnin Aerodrome

R/ W 04

and Hualien/Hualien Aerodrome

R/W 21

Phase One--Project Initiation (to be conducted in Taiwan)

- 1 Provide CCNAA with information requirements for the project.
- 2 Initial visit by an AIT specialist within 30 days after the project is approved.
- 3 One AIT specialist will visit Taiwan to obtain information for initial and final planning objectives and to establish contact with appropriate counterparts.
- 4 Phase One Costs -- Eight (8) man / days ; cost estimate is U.S . \$9,483.00.

Phase Two--Preliminary Feasibility Assessment (to be conducted in the United States)

- 1 Two specialists (electrical engineering and flight procedures) to assess initial feasibility of siting projects in context of Taiwan's objectives and identification of objectives for siting project and finalization of project plans and schedule.
- 2 Phase Two Costs - Twelve (12) man / days ; cost estimate is U. S. \$7, 742.00.

Phase Three--Siting Analysis and Approach Procedures (to be conducted in Taiwan)

- 1 To provide CCWAA with information regarding planning siting project and approach procedures. A two man team (electrical engineer and flight procedures specialist) is scheduled to visit

Taiwan during the period September 15 -- October 15, 1986. Civil engineering support on site is to be provided by CCNAA. Additional specialists may be required if identified during Phase Two.

2 Phase Three Costs -- Twenty -- two (22) man/ days ; cost estimate is U.S. \$13,222.00.

Phase Four--Report Writing and Approach Procedures Recommendation (to be conducted in the United States)

1 Phase Four Costs - Forty- five (45) man / days ; cost estimate is U.S. \$12,249.00.

The estimated total cost Phase One through Phase Four is U.S. \$52,700.00.
