Fees charged for hospital on-site accreditation, on-site accreditation for teaching hospitals (including accreditation of new occupational classes in a teaching hospital), combined accreditation for the main and branch hospitals (or non-adjacent hospital areas) and accreditation of task indices for medical centers:

1. Hospital on-site accreditation fees

Fees	Amount of Fees (NT\$ / each time)
On-site accreditation fees for hospitals (or non-adjacent hospital areas) having 49 beds or fewer	80,000
On-site accreditation fees for hospitals (or non-adjacent hospital areas) having 50 to 99 beds	140,000
On-site accreditation fees for hospitals (or non-adjacent hospital areas) having 100 to 249 beds	250,000
On-site accreditation fees for hospitals (or non-adjacent hospital areas) having 250 to 499 beds	310,000
On-site accreditation fees for hospitals (or non-adjacent hospital areas) having 500 beds or more	450,000
On-site accreditation fees for psychiatric hospitals (or non-adjacent hospital areas) having 49 beds or fewer	105,000
On-site accreditation fees for psychiatric hospitals (or non-adjacent hospital areas) having 50 to 99 beds	140,000
On-site accreditation fees for psychiatric hospitals (or non-adjacent hospital areas) having 100 to 249 beds	275,000
On-site accreditation fees for psychiatric hospitals (or non-adjacent hospital areas) having 250 to 499 beds	350,000
On-site accreditation fees for psychiatric hospitals (or non-adjacent hospital areas) having 500 beds or more	420,000

Note: The number of beds is the total number of acute psychiatric general and chronic psychiatric general beds for psychiatric hospitals; for other hospitals, the number of beds is the total number of acute general, acute psychiatric general and chronic psychiatric general beds.

2. On-site accreditation fees for teaching hospitals (including accreditation of new occupational classes in a teaching hospital)

Fees	Amount of Fees (NT\$ / each time)
On-site accreditation fees for hospitals (or non-adjacent hospital areas) having 249 beds or fewer (accreditation of new occupational classes in a teaching hospital)	130,000
On-site accreditation fees for hospitals (or non-adjacent hospital areas) having 249 beds or fewer (accreditation of teaching hospitals for medical personnel (non-physician))	160,000
On-site accreditation fees for hospitals (or non-adjacent hospital areas) having 249 beds or fewer (accreditation of teaching hospitals for physicians and medical personnel)	190,000
On-site accreditation fees for hospitals (or non-adjacent hospital areas) having 250 to 499 beds (accreditation of new occupational classes in a teaching hospital)	150,000
On-site accreditation fees for hospitals (or non-adjacent hospital areas) having 250 to 499 beds (accreditation of teaching hospitals for medical personnel (non-physician))	200,000
On-site accreditation fees for hospitals (or non-adjacent hospital areas) having 250 to 499 beds (accreditation of teaching hospitals for physicians and medical personnel)	230,000
On-site accreditation fees for hospitals (or non-adjacent hospital areas) having 500 beds or more (accreditation of new occupational classes in a teaching hospital)	230,000
On-site accreditation fees for hospitals (or non-adjacent hospital areas) having 500 beds or more (accreditation of teaching hospitals for medical personnel (non-physician))	310,000
On-site accreditation fees for hospitals (or non-adjacent hospital areas) having 500 beds or more (accreditation of teaching hospitals for physicians and medical personnel)	360,000
On-site accreditation fees for psychiatric hospitals (or non-adjacent hospital areas) having 249 beds or fewer (accreditation of new occupational classes in a teaching hospital)	125,000

Fees	Amount of Fees (NT\$ / each time)
On-site accreditation fees for psychiatric hospitals (or non-adjacent hospital areas) having 249 beds or fewer (accreditation of teaching hospitals for medical personnel (non-physician))	150,000
On-site accreditation fees for psychiatric hospitals (or non-adjacent hospital areas) having 249 beds or fewer (accreditation of teaching hospitals for physicians and medical personnel)	180,000
On-site accreditation fees for psychiatric hospitals (or non-adjacent hospital areas) having 250 to 499 beds (accreditation of new occupational classes in a teaching hospital)	145,000
On-site accreditation fees for psychiatric hospitals (or non-adjacent hospital areas) having 250 to 499 beds (accreditation of teaching hospitals for medical personnel (non-physician))	170,000
On-site accreditation fees for psychiatric hospitals (or non-adjacent hospital areas) having 250 to 499 beds (accreditation of teaching hospitals for physicians and medical personnel)	200,000
On-site accreditation fees for psychiatric hospitals (or non-adjacent hospital areas) having 500 beds or more (accreditation of new occupational classes in a teaching hospital)	165,000
On-site accreditation fees for psychiatric hospitals (or non-adjacent hospital areas) having 500 beds or more (accreditation of teaching hospitals for medical personnel (non-physician))	210,000
On-site accreditation fees for psychiatric hospitals (or non-adjacent hospital areas) having 500 beds or more (accreditation of teaching hospitals for physicians and medical personnel)	245,000

Note: The number of beds is the total number of acute psychiatric general and chronic psychiatric general beds for psychiatric hospitals; for other hospitals, the number of beds is the total number of acute general, acute psychiatric general and chronic

psychiatric general beds.

3. Combined accreditation fees for the main and branch hospitals (or non-adjacent hospital areas)

Fees	Amount of Fees (NT\$ / each time)
Combined accreditation fees for main and branch hospitals (or non-adjacent hospital areas) having 99 beds or fewer	120,000
Combined accreditation fees for main and branch hospitals (or non-adjacent hospital areas) having 100 to 249 beds	140,000
Combined accreditation fees for main and branch hospitals (or non-adjacent hospital areas) having 250 to 499 beds	150,000
Combined accreditation fees for main and branch hospitals (or non-adjacent hospital areas) having 500 beds or more	170,000
Fees of combined hospital and teaching hospital accreditation for main and branch hospitals (or non-adjacent hospital areas) having 249 beds or fewer	180,000
Fees of combined hospital and teaching hospital accreditation for main and branch hospitals (or non-adjacent hospital areas) having 250 to 499 beds	190,000
Fees of combined hospital and teaching hospital accreditation for main and branch hospitals (or non-adjacent hospital areas) having 500 beds or more	210,000

Note:

1. The number of beds is the total number of acute general, acute psychiatric general and chronic psychiatric general beds. The calculation is based on the main or branch hospital (or a non-adjacent hospitals area), whichever with more beds.
2. If an application for combined accreditation is filed for either a hospital or teaching hospital, the other accreditation shall be applied at the same time.

4. Accreditation fees for task indices of medical centers

Fees	Amount of fees
-------------	-----------------------

	(NT\$ / each time)
Accreditation of task indices for medical centers	100,000
