

General Description of the Deposited Materials

Depositors are required to provide the following information describing their planned deposit of materials under the Agreement.

- Provide a listing of the genera/species and crop to be deposited
- Provide the approximate total number of samples and the approximate number by crop
- Provide a provisional schedule for the deposit shipments, giving the approximate month and year of each shipment and the approximate number of samples per shipment

The information should be provided in the following tabular format:

List of crop gemplasms deposite in SGSV from TARI
